

SAGE CORPS | HOST AN INTERNATIONAL INTERN FOR SUMMER 2025

Sage Corps is a global entrepreneurship program that connects talented U.S. university students with innovative startups through meaningful internship experiences. This summer, we will send students to Amsterdam, Barcelona, Berlin, Lisbon, Madrid, Paris, and Sydney.

Startups can participate at no cost and, if possible, provide a small stipend to support students' daily meals and transportation.

PROGRAM OVERVIEW

- **Program Dates:** June - Aug 15, 2025 (dates vary by location)
- **Intern Role Types:** sales/business development, marketing, data/business analytics, software development, UX/UI design, finance, and graphic design.
- **Other details:** Sage Corps provides in-country support for all students, including local staff, in-country orientation, organized events, furnished housing, and medical insurance.

“Greg significantly improved our newsletter process by creating a detailed planner for the entire summer. This has streamlined our workflow, making it much easier to manage and execute our email campaigns. His adaptability, humility, and eagerness to learn have been a breath of fresh air this summer. His positive attitude and willingness to take on challenges have made him an invaluable member of our team.”
