

## SOCIAL ENTERPRISE INTERN ROLE

At Sage Corps, we work with students to find the right role based on their experience, skills, and qualifications. This intern role description will give you an idea of the type of responsibilities that will be assigned during the course of your program. The descriptions above are based on a previous startup role we've offered. However, please note that this internship will vary depending on startup partners and available roles for that term.

### About the Startup:

You will be joining a startup founded in 2011 that consists of a small team of nine employees who all work fully remote. The company's mission is to empower changemakers worldwide, helping transform innovative ideas into real social impact through entrepreneurship. They aim to make positive change more accessible by providing tools, education, coaching, and unwavering support.

### Internship Overview:

To achieve this mission, you will support efforts to grow and manage a global partner and affiliate network to increase awareness of offerings. This is not a normal internship—it's a social entrepreneurship apprenticeship. There will be no coffee-making, just the opportunity to get out there and use your skills to make a difference. You will engage in elements of marketing, outreach, and partnerships.

### Responsibilities:

- Conduct outreach to key Social Enterprise organizations globally
- Brainstorm and implement new initiatives and strategies to engage potential partners around the world
- Set up meetings and manage processes to implement affiliate partnerships
- Be an active member of a virtual team (with team members in three countries)
- Assist with a range of other ad hoc tasks

### Qualifications:

- You have a high level of written and spoken communication skills
- You are comfortable with outreach and making new connections
- You have a passion for social entrepreneurship
- You are organized, a problem solver, self-motivated, and entrepreneurial
- You are comfortable being part of a virtual team
- You are able to commit a minimum of 180–200 hours for the duration of the internship, with at least 12 hours per week and up to 20 hours per week
